JunoWallet Delivers Facebook Users \$700MM Worth of Mobile Gift Cards Straight to Their Mobile Phones with the Launch of Facebook App

More than \$700 Million Worth of Gift Cards for a Variety of Restaurants & Bars, Retailers, and More Popular Merchants, using the Junowallet Facebook Application to Deliver Their Promotional Gift Cards to Facebook Users on their iPhone and Android Mobile Devices

CHICAGO, IL (DATE) – Facebook members that own an iPhone or Android will now be showered with gifts to the tune of over \$700 million worth of free promotional gift cards that can be redeemed at participating retailers everywhere. Concurrent with the celebration of Facebook’s 500 millionth member, JunoWallet is celebrating by offering Facebook users free mobile gift cards. Members can access JunoWallet mobile gift cards directly from Facebook, and when they click on the gift card page, they will enjoy free mobile gift cards and certificates from merchants and retailers everywhere. “In honor of Facebook’s 500 millionth member, have a beer and burger on us and our retailers,” said JunoWallet CEO Chris Sweis.

The number one gift card application in the world, JunoWallet is the first mobile wallet that allows users to get free promotional mobile gift cards and certificates from retailers worldwide. Check your balance in real-time, redeem cards directly from your iPhone or Android, and share cards via Facebook and Twitter—securely from your mobile device.
